Galleywood Grapevine

# Letter from the Chairman

## Welcome to our Spring edition of the Grapevine magazine.

I recall writing in the last edition that it wouldn't be much longer before we were enjoying warmer Spring weather; well, it may not be as warm as we would like, but at least as I look out of the window the trees are green and the blossom is out. We hope you enjoyed the spring bulbs planted last autumn by volunteers in various patches of grass in the village; thank you to everyone who helped with this. There is a lovely display of cowslips ('peggles' if you come from Galleywood) at Twitten Green this year; the Parish Council has been nurturing this patch of grass for several years now to encourage the cowslips and wildflowers, which is why you will notice that this remains uncut in the spring and summer months.

The Annual Parish Meeting on April 11 was well attended, and our speakers were excellent; there is a report and photographs later in this edition. I'm sorry I couldn't be there to chair the meeting because of a nasty virus; thank you to Councillor Potter for standing in for me at the last minute.

The Parish Council has arranged for three new benches to be installed in Jubilee Park; this will be completed in the next few weeks. One of these is a 'Happy to Chat' bench which we hope will encourage people to stay for a while and talk to their neighbours. Thank you to Essex County Council for funding this through its Locality Fund, and to Chelmsford City Council for installing the benches.

There are some important upcoming events for your diary. First, the Parish Council will be hosting a service outside the Keene Hall on June 6 to commemorate the 80th anniversary of the D-Day landings. There will also be an open day on July 6 at the Keene Hall to showcase the many voluntary organisations in

Galleywood; all of these would be grateful for any time and skills you might be able to give to support them. Further details can be found later in this edition.

Finally, a note about forthcoming electoral boundary changes. There will be a general election before the end of January 2025.

The Boundary Commission for England has determined that Galleywood ward will be moved to Maldon constituency for the purposes of electing a member of Parliament.

We have had a few questions about the implications of this; please be reassured that there is no change at all to your relationship with the County Council, the City Council, or the Parish Council. If you have any questions about the change, please call me, the Clerk, or one of your Parish Councillors.

As usual, Councillor surgeries are on the last Saturday of each month (except August and December) from 10 am – 12 noon in the Galleywood Library, so please come along to meet your Parish Councillors and to discuss local issues. We really would like to see you there. Alternatively, you can contact the Parish Council office at any time by telephone, **01245 358898/348756**, email **[clerk@galleywoodparishcouncil.gov.uk](mailto:clerk@galleywoodparishcouncil.gov.uk)** or in person on weekday mornings.

Further information about the Parish Council including forthcoming Council and Committee meetings and events can be found on the Council's website **[www.galleywoodparishcouncil.gov.uk](http://www.galleywoodparishcouncil.gov.uk)** or on **[www.facebook.com/Parish.Council](https://www.facebook.com/Parish.Council)**.

Best wishes

# Annual Parish Meeting 2024

**The Annual Parish Meeting is a statutory duty of the Parish Council and enables the Parish Council to engage with local residents.**

The attendance and involvement demonstrate that the council is prepared to listen to residents' views. At this year's Annual Parish Meeting, there were display tables from local groups and organisations focusing on children and youth groups. The Galleywood Women's Institute kindly served refreshments before the main meeting began at 7 pm.

The 'My Galleywood' photography competition winners were awarded and presented with prizes during the meeting. Their winning entries can be seen on the front cover.

At the beginning of the meeting, there were three exciting speakers – Kirstie Orton from St Michael's Junior School, John Gray from Galleywood Cricket Club and Jayne Owles from Galleywood Youth Football Club.

## What a wonderful place for a wedding!

For those couples thinking of getting engaged, did you know that as a resident of Galleywood Parish you have an automatic legal right to get married in St Michael's Church? You can also get married here if you have an historic or family connection with the parish or the Church. Sadly, I need to turn away some couples who would love to get married here but who don't live near here and don't have any connection.

Why get married at St Michael's? For starters, it is a very beautiful building, with its stained-glass windows, mosaics, lovely wooden furniture, and warm colours. It is a very photogenic Church. And then there is the beauty of its setting – on Galleywood Common, surrounded by our beautiful, peaceful churchyard.

And then there are the bells. Our wonderful bell-ringers can be booked to ring at the end of your wedding service, so you come out of the Church as husband and wife to the sound of the bells, announcing the joy of your marriage to the whole village!

And then there is the personal service that the Church offers. I spend time with couples to plan their ceremony, and by the time the wedding comes around they know me well and they are pleased that I am leading their service. I make it personal for them.

The Church also offers a free marriage preparation day in May each year, which includes a candle-lit lunch for every couple.

And then there is the mixture of old and new, the traditional and the modern. All of our weddings use the standard vows, and you can add some words of your own if you would like. For music, we can book an organist to play, you can play pop songs on our sound system, and you can book other musicians to play live.

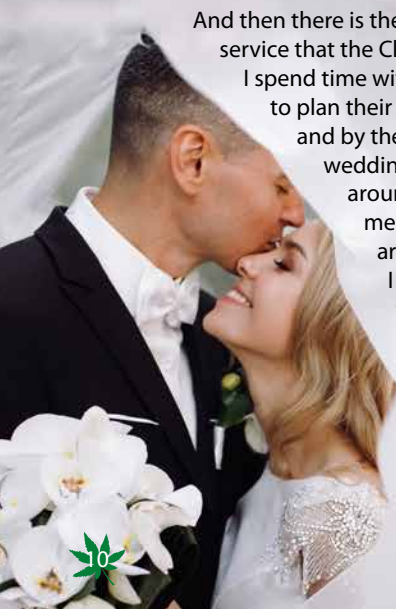

And then there is the mixture of formality and fun. Yes, the service is quite formal in parts, with solemn things happening, but the service is also fun and joyful – we make it a day to enjoy as well as remember.

But, of course, the most important reason for wanting to get married in Church is if you have faith in God, and value a spiritual dimension to your marriage. A wedding in Church reminds us that marriage is a gift from God, and that God cares about your marriage and wants it to be a thing of real beauty. The service puts us in touch with something deeper, something bigger than ourselves.

Weddings are just one of the ways that the Church serves its community here in Galleywood. If you would like to know more, please contact me.

God bless, **David**

# Essex Society for Family History

**Join the Essex Society for Family History in celebrating their 50th Anniversary! "50 years of Researching Essex Ancestors."**

The Essex Society for Family History was formed in September 1974 in Chelmsford. Over the years the membership has grown from 200 to over 1,700. We have monthly meetings at our Branches in NE Essex, SE Essex and West Essex as well as regular meetings at Galleywood Heritage Centre in Chelmsford.

Membership to the Society starts from £8. Our website [www.esfh.org.uk](http://www.esfh.org.uk) gives further information about the Society, our Branches and News and Events. Becoming a member is easy and can be done via our website. Membership gives you access to our genealogical database with over 2 million records available. You can add your surname interests and contact other members researching the same surnames as you. Many of our talks are recorded and can be viewed on the day or by using the zoom links in the members area. Our magazine, The Essex Family Historian, is published 3 times a year and our newsletter is emailed to members monthly, keeping members up to date with latest events and press releases.

We have lots of events planned across the county including Roadshow's taking place at our branches.

There will be a "Genealogy Challenge Trail" for all our members from the UK and all over the world, with some great prizes. All you need to do is follow the genealogical clues to help solve a crime.

Why not join Essex Society for Family History and take part.

The grand finale will take place at the Keene Hall, Galleywood on the 21st of September where Toni Neobard & Kate Broad's interactive family history themed murder mystery evening, "Where There's a Will", will take place". Toni & Kate are established local playwrights, authors, and speakers. The performance is a comedy in 3 acts with interaction from the audience, who will be invited to bring their own refreshments. There will be a raffle and prize for the winning team guessing the murderer(s).

Further details of our events are on our website [www.esfh.org.uk](http://www.esfh.org.uk)

# Photography Competition

**For the Annual Parish Meeting, the Parish Council conducted a photography competition named 'My Galleywood' for the residents of the village.**

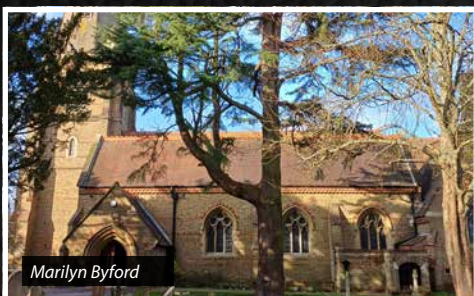

The aim was to encourage the participants to capture the essence of Galleywood through their lenses. To determine the winners, we sought the expertise of Mike Bacon, Co-ordinator of Baddow & Galleywood U3A, who generously agreed to judge the entries with his experienced team. During the Parish Meeting, the winners were awarded with certificates and prizes. Our two winning entries are shown on the front cover and below you will find our runner ups. Thank you to everyone that took part.

# Galleywood Youth Club

YMCA Galleywood Youth Club is a safe place where young people can relax, build friendships and learn new skills. We offer informal education and support for young people, offering life skills and supporting their wellbeing.

Youth workers run tailored sessions to support current issues young people are facing; strategies to deal with stress/anxiety as well as discussions around aspirations, friendships and healthy relationships.

Qualified staff take time to get to know and listen to young people, helping them feel safe, guiding them to make positive choices and offering advice where needed.

Sessions involve activities such as badminton, team challenges, arts and crafts, baking and varied seasonal activities. Activities are co-created by young people and youth workers, allowing us to provide engaging and fulfilling sessions our attendees can't help but get submerged in.

Attending youth club is a brilliant way to build new skills, develop friendships and raise confidence and self-esteem

“Attending YMCA has made a real difference to my life”

“I love it here! I feel safe and supported.”

“Since attending, I have grown in confidence”

Youth Club is open every week during term-time and is completely FREE! Simply turn up to your chosen session, everyone is welcome.

# Save Money With Cloudy2Clear. Your Local Glazing Experts!

As the foremost domestic glass replacement company in the UK for more than 18 years, Cloudy2Clear Windows are the leading name in the industry. There is now no need for you to risk your windows by using the dreaded double glazing cowboy down the street. You can join over 340,000 happy customers and replace your glass ethically and affordably. If you have a failed glass unit it may not provide you with the protection you need, or be as energy-efficient as it once was. Why not take a minute to check your home to see if any double glazing has failed? Taking action now can prevent future financial problems.

When talking to the Manager of Cloudy2Clear Chris Miller it became evident that the value of saving their customers

money has been held dear for a number of years. In addition since starting the business in 2005, Cloudy2Clear have committed to supporting the local community by providing a service that saves the public both time and money.

The Cloudy2Clear service only requires the glass to be replaced and not the whole window once the unit has failed. Chris commented "By doing this we make the customer considerable savings and there is much less upheaval in the family home. Also, whether communities find themselves in a financial crisis or not, saving money when you don't need to waste it is always the sensible option, and our service does just that".

**For a free quotation please call 0800 61 21 118 or visit [www.cloudy2clear.co.uk](http://www.cloudy2clear.co.uk).**

# Community Litter Pick March 2024

On March 23, 2024, The Parish Council organised a community litter pick in the village.

More than 20 volunteers from various age groups participated in the event. Despite the chilly wind, the weather remained dry for the duration of the litter pick, and the volunteers were grateful for a hot drink at the Library after the event.

During the 2-hour litter pick, the volunteers managed to fill at least 24 sacks of rubbish, which was an incredible effort. We would like to extend our heartfelt thanks to everyone who came out to support the cause on the day.
